MEMORANDUM FOR: Director of Medical Services

SUBJECT: Appointment of [redacted]
to the Fine Arts Commission

25X1A

[redacted] has told me that you have responded to his suggestion that a member of your Psychological Staff be appointed to the Fine Arts Commission. I am very pleased that you have suggested [redacted]. It is Jim's view that both in terms of his youth and his clear interest in matters of concern to the FAC that he will make a very useful member. The purpose of my note is to officially appoint [redacted]. This is of course in addition to his other duties and it is recognized that they take precedence over the work of the Commission. However, I feel that he can be of unique service in his professional capacity and I know that you will be generous in regard to the time that he may find desirable to spend on the Commission.
